Wall Sconce 506-3

The Biedermeier Family

This elegant wall sconce is made from a wooden back plate painted white on which a carefully crafted brass design is affixed. It is then equipped with a number of arms which bear the lights. The slim back plate gives this item an elevated elegance. It can be painted in any colour to match the style of the location though white is the most common variant.

Design: Zahn, circa 1840; Biedermeier

H.: 42 cm, W.: 25 cm; Weight: 1 kg

Material: Brass, lead-free crystal; Finish: Gold

Lights: 3 candles; Max. Wattage: 180 W
