Ceiling Fixture 6686-5 "Metropolitan"

The Metropolitan Family

The Metropolitan Chandelier was designed by Hans Harald Rath for the Metropolitan Opera in New York. We were awarded the contract to deliver the chandeliers by the Republic of Austria as a donation in gratitude for the United States aid in the European Recovery Programme.

These tiny fixtures adorn the landings in the left and right staircases between first, second and third floors. Despite their diminutive size they feature all elements that their larger counterparts in the foyer display. In a slightly contrasting fashion the large hand-cut crystals that are only accents with the large Metropolitan chandeliers are here a striking detail. Thus they outbalance the sputnik element and enhancing the material presence of this cute fixture.

Design: Hans Harald Rath, 1963; Modern

Material: Brass, Swarovski and hand-cut crystal;

Finish: Nickel

Special requests: Metal parts in different finishes, sputnik element in different colour or metal finish

Dia.: 34 cm, H.: 26 cm; Weight: 4 kg
