Candle Stick Si50-JO-1 "Jahresobjekt 2009"

The Black-Gold Family

Each and every year after 1998 when we celebrated our 175th anniversary we issue a single object in a limited edition.

2009 we selected a candle stick from our Simhart-Collection in an exclusive edition with an extravagant base. As the other objects from this line it also features exquisite Kings Gold finish finely polished and elaborate casting and embossing techniques.

This year's object is limited to 186 pieces. Each object is marked and numbered as limited edition.
