Drinking set no.267 "Alpha" - colours

design: Hans Harald Rath, 1952

Hans Harald Rath designed the "Alpha" set in 1952. Thanks to their compact, balanced features the glasses lie beautifully in the hand. The shape was inspired by a Baroque copper cup from the collections of the MAK Vienna, itself influenced by Islamic works.

Reflecting the lifestyle of the 50ies, the glasses are fully stackable. Finest muslin glass, mouth-blown into wooden forms, provides for their elegance.

In 1964 the series was awarded the German National Design Prize "Gute Form". Today some of the shapes are available in six light colours, garnet red and black.
