

SPOONS – SPOON 'BON'

White, glazed

Design: Konstantin Grcic, 1999

Decor: Konstantin Grcic, 1999

length 11 cm · product no. 10.764

As an exclusive porcelain maker, at Nymphenburg every figurine, plate and cup is made and painted by hand. This goes for both historical and contemporary designs, such as this eleven-centimetre-long egg spoon Bon. Renowned industrial designer Konstantin Grcic designed it in 1999 to complement his Belle eggcup. With this attractive duo, the daily breakfast ritual becomes a culinary and aesthetic treat.
