

SPOONS – SPOON "BON"

Yellow

Design: Konstantin Grcic, 1999

Decor: Konstantin Grcic, 1999

length 11 cm · product no. 10.766

The yellow tip of Bon is the same sunny shade as the yolk of a freshly topped egg. Like every object that leaves the Manufactory's master workshops, this eleven-centimetre-long egg spoon is made and painted by hand. Renowned German industrial designer Konstantin Grcic designed the small spoon to complement the colour-coordinated, matching counterpart – his Belle eggcup.
