

SPOONS – SPOON 'BON'

Grey

Design: Konstantin Grcic, 1999

Decor: Konstantin Grcic, 1999

length 11 cm · product no. 10.768

When an egg spoon is as practical and aesthetically pleasing as Konstantin Grcic's Bon, we cannot of course restrict its use to eggs at breakfast time. Bon can also be of use for jams and marmalades, sprinkling fleur de sel or serving olives before dinner. Those who like a splash of colour can, in addition to the grey tip, choose a porcelain counterpart in pink, black, green or yellow.
