

SPOONS – SPOON 'BON'

Black

Design: Konstantin Grcic, 1999

Decor: Konstantin Grcic, 1999

length 11 cm · product no. 10.770

What came first? The egg or the spoon? The egg of course. Bon! As we said, the spoon. The renowned Munich-based industrial designer Konstantin Grcic plays with childhood memories and turns the spoon into an eggcup. He affectionately calls it Belle. The practical and attractive cup is accompanied by a matching egg spoon called Bon. Its eleven-centimetre-long porcelain handle features a black-painted tip.
