

TOBACCO – ASHTRAY

Hand painted, Tobacco leaf, for 2 cigars

Design: Konstantin Grcic, 1999

length 22 cm · product no. 09.621

The enjoyment of a cigar has become a celebratory act. Just keeping the cigar lit requires a lot of experience and intuition, and selecting the correct accessories also plays a decisive role. With this in mind, Konstantin Grcic designed this constructivist cigar ashtray with rests in 1999. The two rests of this 22 centimetre wide dish offer the perfect resting place for the Havana, resplendent with a hand-drawn tobacco leaf beneath.
