

DOGS – FRENCH BULLDOG BIG

Underglaze hand painted

Design: Konrad Schmid, 1928

height 16 cm · product no. 01.393

The artist Konrad Schmid modelled his figurines on award-winning pedigrees. He travelled the world to see them. He travelled to the most renowned dog breeders in Germany and Great Britain to realise his figures, such as this young French bulldog, with the help of plaster models, watercolour sketches and photos. Even today, this design from 1928 is still produced true to the original in the Manufactory's master workshops.
