

RABBIT – HARE

Underglazed Hand painted, Vers.II white & brown spotted

Design: August Göhring, 1943

height 13 cm · product no. 01.936

In Chinese astrology, the hare is the symbol of gentleness, harmony and pleasure. It serves to improve diplomatic relations and support family planning. So good on those who have their own long-eared guardian at home. Would this alert buck from 1943 by August Göhring not make the perfect present with the greatest symbolism? Not only that, it is also a 13-centimeter-tall individual piece of master artistry.
