

CHAMPAGNE BEAKERS – CONVEX CUP

*White, exterior biscuit/ interior glazed*

Design: Ted Muehling, 2000

---

*height 9 cm · product no. 09.692*

---

The clearer an object's shape, the better quality the material has to be. Ted Muehling knew that before he started working with Nymphenburg a good ten years ago. In his daily collaboration with the Manufactory's master workshops the multi award-winning designer discovered how precise the design has to be for such high-quality material. This fruitful exchange allows us to enjoy many unique products today. Such as this reduced convex champagne cup in white bisque porcelain.
