

SALT & PEPPER – SALT CELLAR

Altfeston, white glazed

length 10 cm · product no. 05.084

At the beginning of the 19th century, the manufactory's workshops remembered old dining services such as the "Altfeston". In 1912, it was presented for the first time as a complete dining service with new model forms and contemporary accessories. The new pieces also included this salt cellar, carried upon four delicate lion's paws. With a diameter of ten centimetres, the oval plate offers sufficient space on the table for salt, sugar and mustard.
