

LOTOS – PLATE

Lotus, white, glazed, hand painted

Decor: Sebastian Menschhorn, 2011

diameter 21 cm · product no. 19.749

Nymphenburg is the last purist workshop in Germany to produce all its plates and cups by hand on turning wheels. So, for example, this piece from Wolfgang von Wersin's Lotus range is a quality unique piece even before it is painted. But Sebastian Menschhorn's oriental flowers of life make it even more unmistakable. The fine purple lines of this tattoo-like design are painted free-hand in the master workshops on the Nördliche Schlossrondell.
